

PLENTY OF ANGELS

©R.Madison

I've never seen one, but I believe they exist
Every day I place my faith in front of me to be my witness
To the angels, there's plenty of angels

I know it's hard to imagine, they could be standing right in front of us
When you can't see them, you can't hear them or feel their touch
But there are angels, there's plenty of angels

CHORUS

Everybody needs an angel
At some point in their lives
It isn't a weakness, it's simply a knowing
From somewhere deep inside
That there's a power more powerful than anyone could every dream
And he sent his angels to take care of you and me

Did you know they are mentioned almost up to 300 times
From Genesis to Revelation 5:11, it will blow your mind
It reads there's thousands upon thousands, ten thousand times ten thousands
Of angels, there's plenty of angels

CHORUS

BRIDGE

It doesn't matter what you're going through
It doesn't matter what you need
Release your faith and believe

CHORUS

Everybody needs an angel
At some point in their lives
It isn't a weakness, it's simply a knowing
From somewhere deep inside
That there's a power more powerful than anyone of us could every dream
And he sent his angels
His awesome angels
To take care of you and me
