

IT CAN'T BE THAT BAD

© R.Madison

I got a frantic call from Jessica my best friend
Crocodile tears, her world was coming to an end
I thought the drama queen was her baby sister
But sister, I was wrong

She went on and on without taking one breath
My attention span was barely standing to the test
I tried to tell her to remain optimistic
But she missed it, kept rambling, stumbling
Then I jumped telling her...

CHORUS

It can't be that bad
It can't be that bad
It can't be that bad
There's no way it can be that bad

I waited for a sign to see if she was listening
But she was on a roll, her eyes were glistening
She didn't want to know or hear a thing I had to say
So okay, I had to cut in, said "Quit your rambling, girl, just listen to me"

CHORUS

It can't be that bad (it can't be that bad)
It can't be that bad (it's not the end of the world)
It can't be that bad (oh oh)
There's no way it can be that bad

BRIDGE

Everybody's been there
Life can be so unfair
But someday when you look back
You'll have yourself a good laugh

BREAK

CHORUS

It can't be that bad (it can't be that bad)
It can't be that bad (it's not the end of the world)
It can't be that bad (oh oh)
There's no way it can be that bad

CHORUS

It can't be that bad (I know you think that you've got it bad)
It can't be that bad (it's not the end of the world)
It can't be that bad (no)
There's no way it can be that bad
